Certified Retirement Community Application - Funding

We've enjoyed five years (2006-11) as one of the first Certified Retirement Communities in Texas.

It's time to re-apply! The City of Nacogdoches has pledged half of the \$8,250 fee we'll send to the State of Texas for certification and marketing. Can you help us with a small portion of the other half?

Thanks in advance!

Yes! I want to be involved!
