EAST TEXAS**
Celebrating 25 Years

Problem Solved.

Xerographix East Texas is celebrating 25 years as an Authorized Xerox Sales Agency. As we reflect on the past 25 years, we want to thank all of our loyal customers and friends.

1985 marked our first year as a Xerox Agency, within John S. Wyatt, Inc. on the downtown square. The Xerox Agency became a separate corporation and was renamed Xerographix East Texas, Inc. in 2002. Scott Waller, who started selling Xerox equipment for Wyatt's in 1986, purchased the Agency in 2005 and moved it to 424 North Street.

As we look to the future, we hope to become one of your respected business partners. Let us put our experience to work for you.
