

Dear Friends of NISD,

We need your help! You can play a vital role in welcoming back to Nacogdoches ISD our amazing faculty and staff for the new school year by participating in the 2019 Convocation on August 13 at Nacogdoches High School. With roughly 1,000 employees, NISD is one of the top five employers in Nacogdoches, so involvement in this event is a great marketing opportunity for your business.

There are three ways you can partner with us that would greatly boost our efforts:

### **Presenting Sponsor**

Sponsor contributes \$1,500 and receives top billing on banners for the convocation meeting and in the vendor fair area. It also includes a FREE spot at our vendor fair held that morning from 7:30-8:30 AM (\$75 value) and a mention during the district-wide convocation. (This is limited to the first 5 sponsorships.)

### **Golden Dragon Sponsorship**

Sponsor contributes \$300 and receives name on signage at vendor fair and convocation. Sponsor also receives a vendor booth at which merchandise can be sold and/or marketing materials distributed. (Please see vendor fair registration form for details and rules.)

### **Dragon Friend Sponsorship**

Sponsor contributes \$75 and receives a table at the vendor fair. (Non-profit organizations can inquire about special rates.)

We look forward to working with you to make our employees know they are appreciated and cared for by our business community. Thank you for your partnership!
