LEADERSHIP NACOGDOCHES CLASS OF 2016-2017

BUTTERFLY GARDEN SPONSORSHIPS

As part of the Leadership Nacogdoches Class of 2016-2017 class project, “Butterflies and Books,” we are transforming the empty green space in front of the Nacogdoches Public Library into a flourishing Butterfly Garden with a Story Telling space and plenty of interactive seating and climbing!

Graciously, the city has agreed to maintain the landscaping aspects of the project, but we are seeking additional funds to help us provide the plants for the garden areas.

We are offering two sponsorship opportunities for the butterfly garden:

**BUTTERFLY
LEVEL
\$250**

**CHRYSALIS
LEVEL
\$100**

All sponsors will be acknowledged on a permanent sign at the garden.

Please make checks out to Nacogdoches County Chamber Foundation or NCCF.
